CAMPAIGN AGAINST HUNGER

CAN YOU LIVE ON HK$40 A DAY?

"Hunger and malnutrition are in fact the number one risk to health worldwide — greater than AIDS, malaria and tuberculosis combined." – United Nations World Food Programme

KNOW THE FACTS

Refugees receive HK$40 a day for food by the HK Government – that's **just HK$13 per meal!**

The assistance is **limited to ingredients only**. No support is provided to purchase stoves, cooking and dining utensils.

The support comes in the form of supermarket vouchers. **Ingredients are expensive in supermarkets** and may not be culturally or nutritionally appropriate to their needs.

Oxfam's 2011 study states that a **working adult in HK then needed HK$66.6 per day** to eat balanced nutritional meals. Refugees have **no right to work** in Hong Kong, and receive just HK$40 per day today. Food costs also have substantially risen in the past 5 years.

It can take up to 6 months to receive this support. That's **6 months without food, shelter, and water**.

Centre for Refugees *is today the only community centre for refugees in Hong Kong where we support the most vulnerable—including victims of torture, war, genocide and other acts of persecution from Africa, the Middle-East, and parts of South Asia facing conflict—with a comprehensive support system that fills a vital gap in humanitarian welfare by providing emergency shelter, food, education, counselling, and community support.*
