

## SHELTER ACTIVITIES Intern from Local Universities in Hong Kong

From March to June 2019, Alvin Leung and Gabriena Ongky, the students from Chinese University did 40 hours' internship in our shelter office. Alvin is a student from Medical Faculty and Gabriena from Business School. They came every week to provide health talk and basic medical check-up, Cantonese class and sport related activity for shelter residents.

At the last quarter of 2019, an HKU student from Social Work Department named Sophia also did internship by conducting focus group talks with shelter residents, specifically discussing negative emotions and how to deal with it. The internship was interrupted by social unrest and it was postponed to March and April 2020.
