Helping Refugees Live with Dignity and Hope

BIRYANI TO YOU

Feed yourself plus 4 meals for Refugees for only HK\$100!

CENTRE FOR REFUGEES

Our Centre for Refugees was established in 2004, and is the first and only community centre for refugees and asylum seekers in Hong Kong. Each month, we provide 600 vulnerable families and individuals with **hot meals**, clothing, shelter and other basic necessities. We also help parents get their children into school through our sponsorship programme, and make ways for adults to learn new skills. We provide case work, advocacy support, counselors, and referrals for medical, psychological support and legal assistance and raise funds for housing and other necessities.

OUR SOUP KITCHEN

Centre for Refugees serve around 100 warm and nutritious meals to Refugees and Asylum Seekers at a cost of around HK\$1,600 per day. The Hong Kong Government support comes in the form of supermarket vouchers which is equivalent to HK\$40 a day, per person and limited to ingredients only. However, ingredients can be very expensive and they often don't have the cooking facilities or equipment at home.

WHAT IS 'BIRYANI TO YOU'

Our soup kitchen has become well known, within the community, for serving delicious Biryani every Friday. Thus Friday evening is often our busiest time of the week. We would like to offer you the opportunity to try his Biryani by serving it to you for lunch!

WHAT IS THE SUGGESTED GIFT TO PARTICIPATE?

If you wish to participate in the 'Biryani to you' at your office. For a gift of only **HK\$100** per person, **minimum gift of HK3,000 is required**, to cover our basic costs, the operation of the soup kitchen for one day and a delicious warm meal (Biryani, salad and fruit) served at your office. As the donation includes the operation of our kitchen for one day, thus, for a gift of HK\$100 you are not only feeding yourself, but also **4 meals to Refugees!** NOT bad for only HK\$100!
